

Snap-On

37 Piece General Service Set Pre-Order Form

In order to get the best possible cost and freight charge from our supplier, Chromate needs to have each agent determine his/her complete Snap-On tool set requirements and pre-order. Agents must use this form for pre-ordering. The Snap-On sets will be ordered only TWICE -- Please get your orders in by Tuesday, January 31, or Monday, April 30, to get your complete set(s). Due to the expense of the set, the full \$128.40 charge will be broken down into six payments of \$21.40 each to your AIF account. Thank you.
