Sāf-T-Küt

2 BLADE PACK

Saw Blades

- Cut through drywall and plaster safely.
- Keeps plumbing and electrical safe

Carbide Tipped Saw Blades

Fits any commercial quality reciprocating saw!

Save \$\$\$\$ by reducing MISTAKES!

PATENT PENDING

Don't let your workers cost you thousands of dollars in repairs due to accidentally cutting into electrical, telecommunications or plumbing lines!

Our blades are designed to safely cut through drywall and plaster without damaging hidden lines within the walls.

The carbide tipped blades were developed by contractors just like you that were spending time and money fixing mistakes created by old style blades. With Sāf-T-Küt reciprocating saw blades this problem is virtually eliminated!

- Fits any reciprocating saw
- Cuts through drywall and plaster easily
- Keeps plumbing and electrical lines safe
- Eliminates dust
- Sold in 2 blade packs
