

LIGHTED PICK-UP TOOLS

A SET OF 2 FLEXIBLE, LIGHTED PICK-UP TOOLS

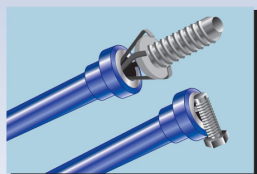

Makes it fast and easy to find and retrieve the small object that always falls through your fingers! See and reach into awkward spaces where only the lighted pick-up tool can fit.

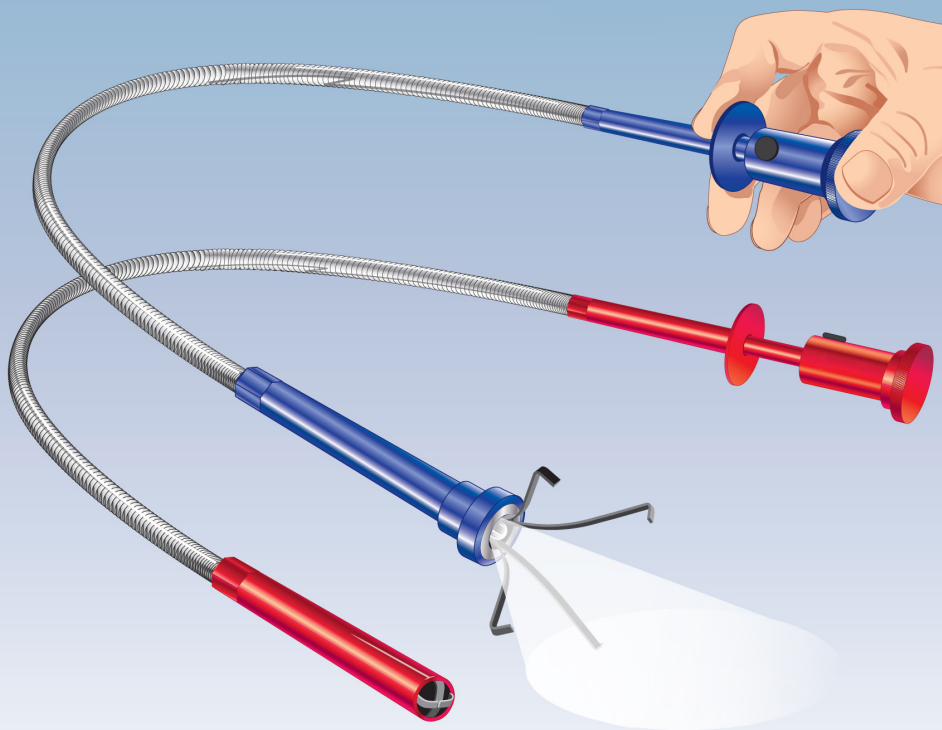

Firmly press **handle** parts towards each other to open pick-up end

Pick-up end of tool using LED light and fully opened pick-up feature

Use **magnet** with or without pick-up feature

Lighted Pick-up Tools are only sold as a set.

- The **Blue Lighted Pick-up Tool** is **magnetic** and works well when picking up metal objects.
- The **Red Lighted Pick-up Tool** is **not magnetic** and is great when a magnet would be a drawback.
- Both are flexible and made to fit into cramped spaces as well as reach around obstacles.
- Both have a handy LED light with easy On/Off button.
- Approximately 24 inches long.
- A sturdy storage case is included which fits both tools.
- Both tools use 3 LR-44 batteries (included). Reorder with P/N 29206 (4-pack).
