CUTTING TOOL & LUBE COMBO PAK

\$799.95

Razor Qwik™ Carbide Tipped Hole Cutter Assortment

P/N 17962

- Specially designed for cutting pipe, thick steel, steel plate, iron, aluminum, copper, cast iron and stainless steel up to 1" thick
- Special tungsten carbide teeth
- Excellent wear and heat resistance
- One piece construction
- No assembly required
- Ejector spring ejects slug and safety collar stop prevents over penetration

RAZORQWIK™ CARBIDE TIPPED HOLE CUTTER ASSORTMENT

 FEATURES:
 • Specially designed for cutting pipe, thick steel, steel plate, iron, aluminum, copper, cast iron and stainless steel up to 1" thick
 • Special tungsten carbide teeth – excellent wear and heat resistance
 • One piece construction – no assembly required and stable accurate drilling
 • Ejector spring ejects the slug saving time
 • Safety collar stop prevents over penetration for safer, faster operation

Red Lion™ Cutting Wax

P/N 74560 – 16 oz.

- Specially formulated multi-purpose cutting wax
- For faster, smoother cutting operations and longer tool life
- Use for all drilling, cutting and tapping applications
- Continuous shield against friction and heat
- Especially effective on stainless steel, aluminum and many exotic alloys
- Extends tool life and reduces chip welding
- Reduces tool costs and work piece scrap
- Provides a precision finish with closer tolerances on your finished work
- Nonflammable – for increased safety
