

# ALL PURPOSE HAND PROTECTION

## THE ORIGINAL<sup>®</sup> WOMEN'S GLOVE

Designed and engineered exclusively for a woman's smaller hand, The Women's Original<sup>®</sup> glove is the perfect tool for a variety of jobs. Durable synthetic leather palm, form-fitting stretch Spandex top, and a flexible Thermal Plastic Rubber (TPR) wrist closure provide an unmatched fit and feel for any job. With a gamut of practical uses, it's no surprise that The Original<sup>®</sup> is the most recognized and most frequently worn glove by anyone with a toolbox.
