

GreenWāv

NATURAL ODOR ELIMINATORS

Destroy odor on a molecular level.

Non-toxic **GreenWāv** natural odor eliminators effectively remove both organic and inorganic malodors from the air, laundry, carpet, upholstery and other surfaces. Notice we did not say mask odors! **GreenWāv** products chemically bond with odor causing molecules and eliminate them completely without leaving a lingering fragrance. In fact, the only thing left behind is the sweet smell of nothing at all.

Natural
Ingredients

Water

Lime

Pine Needles

Aniseed

Clove

Cedarwood

GreenWāv odor eliminators are made with natural, non-toxic and biodegradable active ingredients. They are safe for use around people and animals in a variety of settings/facilities:

GreenWāv Commercial Gel

P/N 74577 – 8 oz.

- Eliminates odor in the air.
- The continuous release formulation works around the clock, providing 24/7 odor control.
- Especially effective for combating persistent odor problems that may not be avoidable or correctable.

P/N 1820 – Dispenser

- Holds one jar of 8 oz. gel.
- Can be easily mounted to most surfaces.
- Functional and subtle; hides the product out of sight allowing it to work discreetly.
- Dispenser is ADA Compliant.

GreenWāv Air & Surface Spray

P/N 74576 – 32 fl. oz.

- For rapid targeted odor control.
- Instantly bonds to and eliminates odor molecules in the air and those that have penetrated and/or are resting on surfaces.
- Can also be added to mop buckets, humidifiers or fogging equipment for large areas.

GreenWāv Applications

BUILDING SERVICES • HEALTHCARE • EDUCATIONAL • HOSPITALITY & LODGING • FOOD SERVICE • FLEET

Building Services – Elevate Building Standards by Eliminating Foul Odors

Problem: Ongoing odors from cigarette and cigar smoke, restrooms, carpet, dead rodents, compactor rooms, and water or fire related damage.

Solution: **GreenWāv** eliminates odors, it does not mask them.

Business Benefit: Odor diminishes property value and has a negative impact on building occupants. No building environment is truly clean unless it is odor free. **GreenWāv** eliminates embarrassing odors and eases tension between building owners, occupants and visitors.

Healthcare – Preserve Patient Dignity by Eliminating Foul Odors

Problem: Ongoing odors due to bodily fluids, human waste, and open wounds.

Solution: **GreenWāv** eliminates odors, it does not mask them.

Business Benefit: Cleanliness is a key consideration in the selection of a long term care or acute care facility. No healthcare environment is truly clean if it smells bad. **GreenWāv** elevates resident and patient dignity, eliminates embarrassing odors, and eases tensions between residents/patients, family, and staff.

Educational – Environmentally Friendly Solution for Odor-Free Schools

Problem: Performance suffers when annoying foul odors affect the student body's ability to study and focus on their schoolwork.

Solution: **GreenWāv** eliminates odors, it does not mask them.

Business Benefit: Cleanliness is often a key consideration in the selection of an educational institution. No educational environment or day care center is truly clean if it smells bad.

Hospitality & Lodging – Retain Guest Loyalty and Maximum Occupancy

Problem: Ongoing odors from cigar and cigarette smoke, wet bathing suits, must, mildew, vomit, bathroom odors, dumpster areas and compactor rooms.

Solution: **GreenWāv** eliminates odors, it does not mask them.

Business Benefit: Guests do not return to a lodging environment that smells bad. No hotel or motel is truly clean unless it is odor free.

Food Service – Serve Up An Odor-Free Dining Experience for Your Guests

Problem: Ongoing odors from cooking, cigar and cigarette smoke, bathrooms, grease traps, sewage, dumpster areas and compactor rooms

Solution: **GreenWāv** eliminates odors, it does not mask them.

Business Benefit: Neither new nor repeat patrons will choose an eating establishment with lingering odor issues.

Fleet – Achieve Maximum Fleet Utilization and Enhance Re-Sales

Problem: Nefarious customers commonly ignore the no smoking policies in rental cars, resulting in fleet depletion when vehicles are removed from service for cleaning, and car dealers must go to great lengths cleaning and deodorizing used cars to prepare them for resale.

Solution: **GreenWāv** eliminates odors, it does not mask them.

Business Benefit: The ability to keep auto fleets fully utilized, be more efficient in preparing used cars for sale, as well as enhance overall auto sales.
