

A collage of images representing various aspects of the University of Colorado, all framed by a large circular graphic that resembles a microscope lens. The images include: a historic stone building with arches; a modern building with large glass windows and an American flag; a brick building with large windows; a map of the university campus showing 'W. UNIVERSITY AVE.' and 'N. UNIVERSITY AVE.'; a modern building with a curved glass facade; a scientist in a white lab coat and purple gloves working with a piece of equipment; a historic stone building with many windows; a marching band in white uniforms; and a view of the university campus from a distance.
